Forecast For Highland & Eilean Siar
Issued by Met Office Aberdeen
at 0400 on Thursday 02 Sep 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Dry with some sunshine. Some coastal low cloud.

Today:
Cloud burning back to northern and eastern coasts, some low cloud may affect the Western Isles. Otherwise a dry day with plenty of sunshine, feeling quite warm. Maximum temperature 20 deg C (68 deg F).

Tonight:
Some late sunshine this evening. Low cloud becoming spreading south and west overnight, a little patchy light rain or drizzle. Southwest may remain mostly clear. Minimum temperature 9 deg C (48 deg F).

Friday:
Low cloud mostly thinning through the morning to leave a dry day with some warm sunshine. Cloud may linger around Inverness and the north into the afternoon. Maximum temperature 21 deg C (70 deg F).

Outlook for Saturday to Monday:
A mainly dry few days, perhaps a little rain across the far northwest on Sunday for a time.
